

NAMAL KNOWLEDGE CITY

NAMALNAMA

OCTOBER - DECEMBER | 2019

ISSUE # 05

Class of 2023 inducted this year

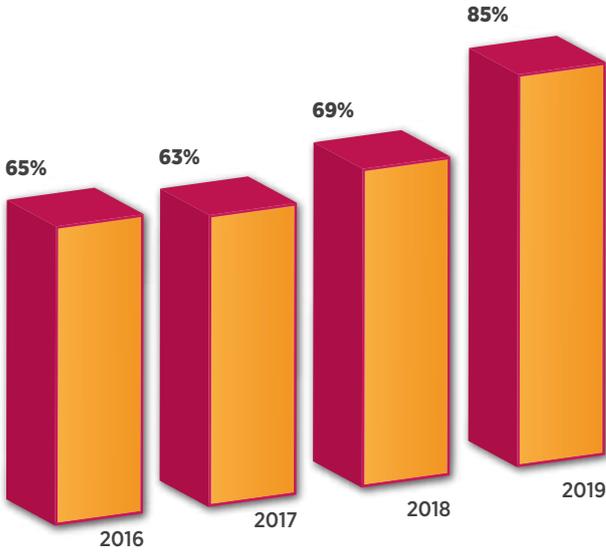

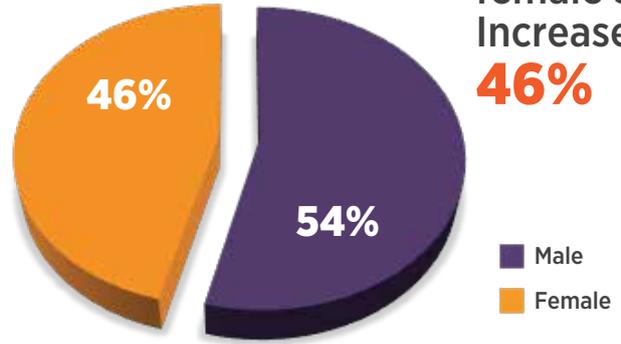

Orientation week marks the induction of a new batch each year at Namal, and was one of the highlights of 2019.

Morning sessions were dedicated to quantitative activities covering general aspects of computer science and mathematics, and evenings were reserved for the icing on the cake - kayaking, hiking, cooking competition, an Idea Club session, a musical night and sports gala were thoroughly enjoyed and appreciated by the Freshers, and their energy, positivity and enthusiasm bodes very well for their coming years at Namal!

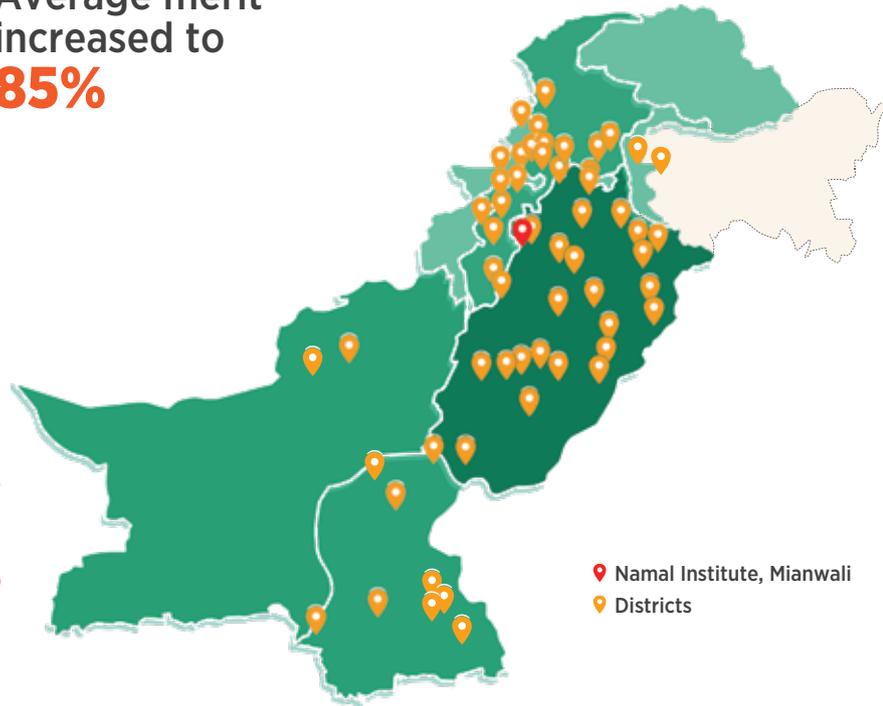

Advancing Excellence - Welcoming Class of 2023

The Namal family is growing! In August 2019, we welcomed 169 new students to become the torch bearers of Namal values. It has been the most successful admission drive to date contributing to an even more vibrant community at Namal. Here we explore the little milestones that defined the admission drive of 2019 and how Namal is advancing through leaps and bounds.

Average merit increased to **85%**

Students enrolled from **61 Districts** across Pakistan

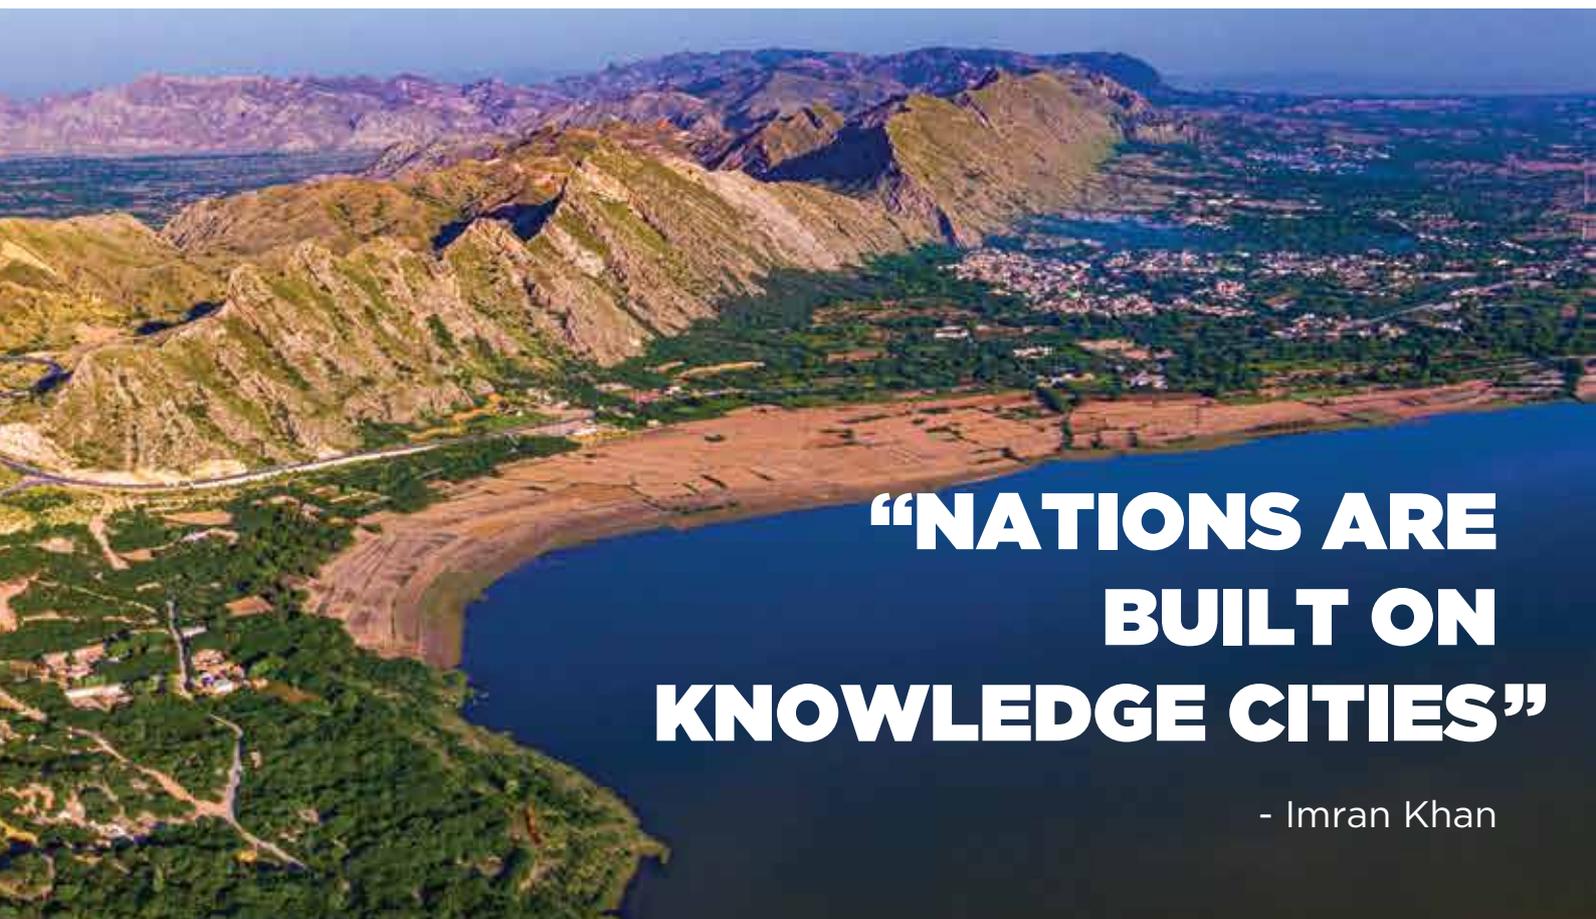

Pitch Perfect!

Work on Namal's first major sporting facility - a curated cricket ground - began in July this year. The first such facility of its kind for miles around, the ground is encircled by a jogging track. When complete, it will feature new seating, a digitized score board, modern equipment and - of course - a pavilion!

A Successful Run

Friend of Namal, Wali Khan, from Singapore, organized a run to raise funds for Namal in July, collecting more than USD16,000. This marked one year from a devastating accident in which he had sustained life-threatening injuries. The Namal family thanks all those who partook in the endeavour to raise funds with Wali for sports facilities at the Institute - each one of you has helped us move a step closer to providing students with an opportunity to excel in sports, right in the heart of Mianwali.

Growing Linkages with the Corporate Sector

Namal recently strengthened its engagement with two of Pakistan's corporate sector luminaries - Fast Cables Ltd. and Pakistan State Oil - to enhance cooperation for furthering the cause of higher education by offering scholarships to students.

The entire Namal Family extends its profound appreciation to Black Horse Paints for their in-kind donation of paint for our campus. They have always been one of the most vital Friends of Namal and we look forward to seeing this partnership grow ever stronger in the years to come.

Namal Touches New Heights

Namal Education Foundation hosted annual fundraising events in Montreal, Ottawa, Toronto and Hamilton in eastern Canada at the end of July. These were followed in September by an event in Copenhagen, Denmark. Friends of Namal in these two countries came together in an inspiring demonstration of dedication to the Namal vision, engaging members of the diaspora in giving back to promote the goal for a brighter future!
