

NAMALNAMA

Graduate Night

From Marking Milestones to Achieving Success

Graduate Night was an evening of celebration and reflection to recognize the outstanding achievements of Namal's graduates. We shared moments of pride surrounded by our generous supporters. The presence of our esteemed board members, Aleema Khan and Razzaq Dawood, added value, reinforcing the belief that education and perseverance open doors to endless possibilities. Walid Iqbal graced the occasion, adding the right amount of encouragement and pride in our talented students.

Namal Across America

Building Futures with Namal Scholarship Club

From the coasts of San Diego to the heart of Washington, D.C., Namal's fundraising journey across the United States brought together passionate supporters, alumni, and well-wishers who believe in the transformative power of education.

The Namal Scholarship Club fundraising dinners made inspiring stops in Austin, Houston, Ohio, Chicago, Washington, San Diego, Sacramento, and San Francisco, where attendees connected over Namal's mission and pledged their support for Namal Knowledge City.

These gatherings were not just fundraising events but moments of connection, where hearts united around a common dream. No distance could dim the passion of our global Namal family, whose support continues to guide and inspire us every step of the way.

Empowering Students Through Opportunity

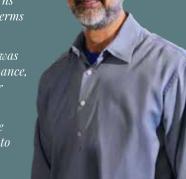

Namal University is proud to be supported by individuals who believe in the power of education and the potential of our students.

One such individual is **Sardar Tariq**, champion of education.

"Over the years, I've had the privilege of meeting young minds from across the country. At Speridian Technologies, we've welcomed several Namal interns and graduates. They are exceptionally talented, hard-working, and, in terms of skills, often surpass experienced teammates.

One inspiring example is an individual who joined us as an intern. She was competent and quickly exceeded expectations. Impressed by her performance, we extended a full-time offer and later supported her in pursuing higher studies abroad.

Supporting Namal isn't just supporting a cause; it's an investment in the future of Pakistan. Every student is an opportunity, and we are all here to provide them with that chance."
